Data is from self declared job titles and are matched to UCOT 2017 Universal Career Outcomes Taxonomy. Categories are indicated in clockwise order (Administration first, Business development second, clinical services third, etc.). These data track outcomes for all UChicago Biosciences PhD programs, including the dual degree MD/PhD program. The Biophysical Sciences program, which is jointly administered with the Physical Sciences Division, is excluded from this analysis.
UChicago Biosciences Alumni Job Functions

1-5 years from graduation (2015-2019)

- Administration 0.3% (n=1)
